the most updated comprehensive real world field manual on modern day pharmaceutical sales available today this handbook was written by reps for reps it was designed with you in mind those that are out in the field everyday selling and driving business for your company this is not a handbook for getting into the industry or how to interview for your next pharmaceutical sales job it is a boots on the ground field manual for success in this field updated to include what the environment is like today and what it will be like in 5 years as a retired military officer i wish i had this book when i entered the industry eight years ago now you have the opportunity to hit the ground running with this field book providing detailed information from being a standout in training to driving your sales beyond the competition in your first year in the field

purpose of this book is selling for you the scope of this book is to provide a practical guide for the day to day operation of a sales representative in a territory this handbook is useful to

all salespeople regardless of experience it doesn't matter if you work for a large or small corporation you could be commissioned, salaried or self-employed. This book can help you.

When I first joined the industry, I searched for a book which could give some guidance as to what this role was all about. I never found that book, so four years into my career, I began writing *Pharmaceutical Sales for Phools*. Medical sales representatives who read this book will not encounter many surprises once they take their first steps out into the field, as this book has been designed to equip readers with a robust understanding of all the key dynamics of this sales role. Sahil Syed is an award-winning representative who is now in his eighth year of frontline pharmaceutical sales. During this time, he has worked with some of the largest and most successful pharmaceutical companies in the world. In this book, he has given a highly practical account of how the role of a medical sales representative actually operates. This book is the perfect read, not only for those who are trying to get into the industry but also for experienced representatives who just want to keep up to date on the mechanics of the job. It is essential reading. Niall Barry, Director, Gem Resourcing, says: "This book gives the first example I have seen of a common sense approach to the job which leaves nothing to the imagination." Charles Marshall, Director, Axis Development, says: "This book is the medical representatives bible. It is indispensable. Every rep should have a copy." Gary Fagg, Principal Sales Representative, Novartis.

This best seller is a must-have book for anyone who desires a pharmaceutical sales job. The *Insider's Guide* is a complete guide offering step-by-step instructions on how to gain a pharmaceutical sales position. This includes instructions on resume preparation, applying for positions, uncovering unadvertised positions, gaining interviews, successfully negotiating interviews, 150 interview questions and answers, pharmaceutical selling instructions and examples, salary negotiation, pharmaceutical sales industry outlook, 28 pharmaceutical company profiles, a listing of pharmaceutical contract companies, and a listing of pharmaceutical companies with web site addresses.
